

# Request for Proposal - Graphic and Website Designer

## MN Coalition for Youth Justice

### Background:

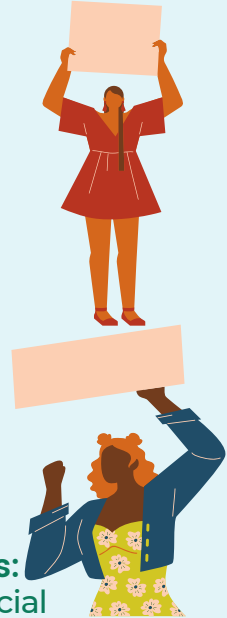

The Minnesota Coalition for Youth Justice is composed of community stakeholders with a vested stake in improving our juvenile justice system. Through shorter term reforms and longer term reimagining, the MN Coalition for Youth Justice seeks to build an ecosystem that is more equitable, humane and effective than the present one.

### Request:

The MN Coalition for Youth Justice is seeking a graphic and website designer to support our advocacy work. This consultant will help support our coalition's sustainability and advocacy efforts through designing:

- A logo
- A website
- A branding guide
- Assets and templates including document one-pagers, slide decks, and social posts
- Other deliverables to be scoped out with consultant

### Preferred Qualifications, Skills, and Characteristics:

- Interest in social justice and commitment to racial equity.
- Detail-oriented and timely.
- Knowledgeable about different web hosting platforms
- Comfortable working with diverse community stakeholders.

**Budget: \$1,000**

Please submit a resume and any relevant work samples by  
November 30th to Malaika Hankins, Community Strategy Lead,
